THE SECRETARY OF DEFENSE
WASHINGTON, D. C. 20301

22 April 1976

MEMORANDUM FOR PRESIDENT FORD

SUBJECT: US Strategy and Naval Force Requirements

At the NSC meeting today, we discussed the first half of the interagency paper now being prepared to address naval ship-building program alternatives.

I am enclosing a Congressional Budget Office working paper on the same subject.

We expect to meet late next week to consider the latter half of the interagency report; I thought you might be interested in seeing what is being said up on the Hill, too.
