MEMO FOR:

Staser Holcomb

Have somebody work up a log showing the names of the Members who have seen -- it should be a list of the Members of the House and then a list of the Members of the Senate -- and it should indicate whether or not they have seen the Hughes briefing, the Currie briefing, the Rumsfeld briefing, or the Ellsworth briefing. Then, I'd like a numerical count of how many we have yet to go on each one of those four, so we can figure out how we finish up all these people.
