MEMORANDUM FOR:

STASER HOLCOMB

George Bush told me he thought I was receiving the copy of the President's daily brief. I told him it would be useful to me to know that the President is seeing. He said he would arrange it--so if it doesn't come in the next week, would you call out to him and work it out or have Ellsworth do so.

*Elmer  
How about a  
check with the issuing  
Office to be sure DR  
is on the distribution  
list?*

*3/10 Jim Connor  
promised to fix it  
with Cheney (and  
the President).*
