Memo For SEC DEF

Bill Nicholson's office called and said the President would not be able to see Tony Kase.

However, at 11:30 AM tomorrow the President will have a ceremony to sign a proclamation formally rescinding Ex. Order 9066 as null and void. 34 years ago, this was the order that led to the internment of 100,000 of Japanese-American nationality. They thought he might enjoy attending -- if you think it would be a good idea.
