

February 17, 1976

STASER:

See me about how we tackle this human side of the equation. We ought to get a list of things we're doing for human beings and this establishment and where they stand so that we know we are working on these and have some targets and don't ignore that side of the equation. You will recall this came up with the Chiefs not too long ago.

2/20 Discussed
with Brehm

3/2 Discussed
with Brehm

- QEM C connection
- Ahearn to orchestrate

3/2 Elaborated to Ahearn; goal
is a conceptual framework
in two weeks.
