MEMORANDUM FOR THE SECRETARY OF DEFENSE

SUBJECT: Basic Policy on Standardization - ACTION MEMORANDUM

The memorandum from the Chairman, Joint Chiefs of Staff, at Tab B recommends that you reissue the Basic Policy for NATO Weapon System Standardization (8 November 1975) over your signature, and that you direct that it be circulated to NATO.

Rather than reissuing the 8 November memorandum, I recommend that you sign the memorandum at Tab A, which reaffirms your support of the standardization policy, and that you direct that both your memorandum at Tab A and the basic policy memorandum be circulated to NATO.

The State Department concurs with the circulation of the basic policy memorandum to NATO.
